

# Christmas 2010 Mystery Quilt

The center isn't quite finished, but some reds will certainly brighten this week! If your scraps are short, make shorter strip sets, then make the equivalent of 44-inches long. See you next week!

## Supplies

rotary cutter and 6 x 24-inch ruler  
rotary cutting mat  
sewing machine and matching thread  
scraps of **red** at least 3-inches wide by the **width of fabric (wof)**

1/4-inch seams throughout, *unless noted*

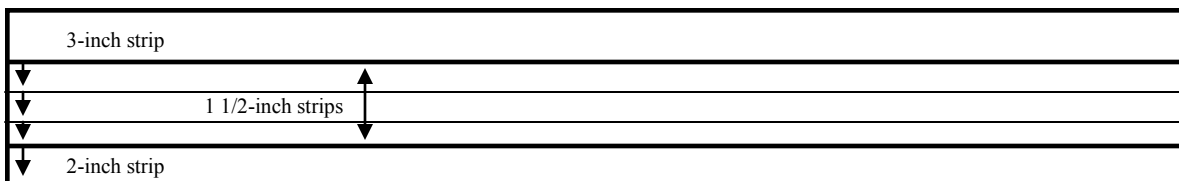

## Step 16: Cutting

From assorted red scraps, cut a total of **2**, 3-inch x wof, **2**, 2-inch x wof, **6**, 1 1/2-inch x wof.

## Step 16: Sewing

Sew together 1, 3-inch strip, 3, 1 1/2-inch strips, and 1, 2-inch strip as shown. Repeat for a total of 2 strips. Press all seams in the same direction.

*make 2*

*press seams in the same direction*

### *Erik's Tip!*

*When laying out your strips, begin and end with a different fabric strip each time! In the end they will blend together perfectly!*
