

Vintage Advertisement Needle Holder

Typical of the late 19th and early 20th century, this vintage advertisement card is perfect for a needle holder! Simply print the template onto cardstock, fold on the marked line and then cut out. Cut a piece of bright colored felt to hold a package full of hand needles!

For each needle holder you will need

*Vintage Advertisement Card template**

cardstock, computer printer

scrap of felt, *any color*

several hand sewing needles

scissors, ruler, tacky type craft glue, bone folder or small tapestry needle

Download and print the *Vintage Advertisement Card template* onto cardstock. With ruler and bone folder or small tapestry needle, score fold line. Fold card on the marked line; cut out on the dashed line. Fold card again to make sure that the card is cut square; trim if necessary. Cut the small scrap of felt to fit inside of card; adhere with craft glue. Allow felt piece to dry. Stick needles through the felt piece as desired.

*This graphic would also be great for a greeting card or scrapbook embellishment. Both the front and back of the original card are included. If you would like to re-create the original card, cut out both pieces separately and glue back of cards together with rubber cement, aligning both pieces evenly.
