**Traditional Setting Step 6**

*begin the quilt assembly*

This step will begin the assembly of the center field of the 'Traditional Setting' quilt. We will offer the finishing steps broken down into sewing steps, much like the blocks, so that those who are working on the quilt as it posts may continue to follow along while continuing to finish their quilt. After all of the steps have finished posting for the 'Traditional Setting', the 'Non-Traditional' Setting will

Row measures 12 1/2 by 60 1/2-inches

**Supplies**

- 6 Traditional Setting Step 2 units
- 4 Traditional Setting Step 5 units (Four patch blocks)
- 4 previously made Benjamin Franklin Mystery blocks, trimmed to 12 1/2-inch square (**any 4** blocks)

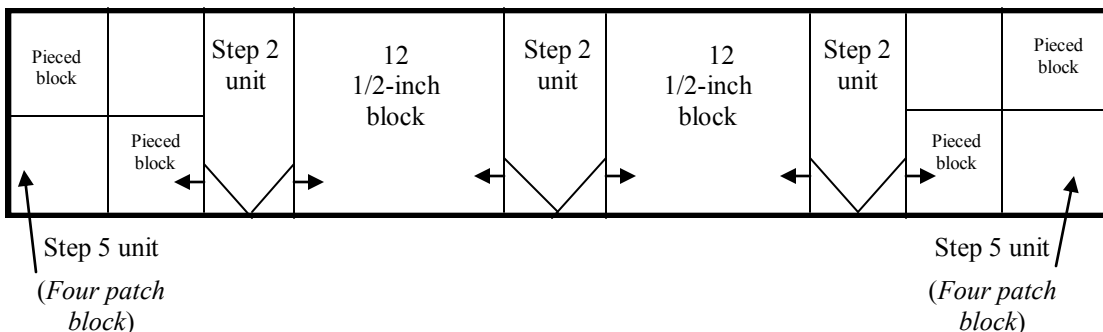

sewing machine and matching thread

1/4-inch seams throughout; press seams as indicated.

*\*\*A note about these fabrics:  
For the Traditional Setting quilt, we will be showing blocks made in a different colorway than our usual red, white, and blue. These blocks were made to test the pattern...you may find photos of most of these blocks in the 'Ben Franklin Blocks' photo album on the left side of our Main/Home Page. The usual red, white, and blue blocks will be featured in the Non-Traditional Setting posting later.*

**Constructing Rows 1 and 6:**

Sew rows together using previously made units as shown; make 2 rows. Press in direction of the arrows.
