Traditional Setting Step 7

continue the quilt assembly

This step will continue the assembly of the center field of the 'Traditional Setting' quilt. We will offer the finishing steps broken down into sewing steps, much like the blocks, so that those who are working on the quilt as it posts may continue to follow along while continuing to finish their quilt. After all of the steps have finished posting for the 'Traditional Setting', the 'Non-Traditional' Setting will begin.

Row measures 12 1/2 by 60 1/2-inches

***A note about these fabrics:
For the Traditional Setting quilt, we will be showing blocks made in a different colorway than our usual red, white, and blue. These blocks were made to test the pattern...you may find photos of most of these blocks in the 'Ben Franklin Blocks' photo album on the left side of our Main/Home Page. The usual red, white, and blue blocks will be featured in the Non-Traditional Setting posting later.*
