

Traditional Setting Step 8

continue the quilt assembly

This step will finish the center field of the 'Traditional Setting' quilt and begin the pieced borders. We will offer the finishing steps broken down into sewing steps, much like the blocks, so that those who are working on the quilt as it posts may continue to follow along while continuing to finish their quilt. After all of the steps have finished posting for the 'Traditional Setting', the 'Non-Traditional' Setting will begin.

***A note about these fabrics:
For the Traditional Setting quilt ,
we will be showing blocks made in
a different colorway than our usual
red, white, and blue. These blocks
were made to test the pattern...you
may find photos of most of these
blocks in the 'Ben Franklin Blocks'
photo album on the left side of our
Main/Home Page. The usual red,
white, and blue blocks will be fea-
tured in the Non-Traditional Set-
ting posting later.*
