

Add the top and bottom pieced borders:

To complete the border, piece together two full **Green Floral** 6 1/2-inch by width of fabric strips. Stitch this strip to the pieced border strip as shown; press in the direction of the arrow. Repeat to make 2 pieced border units.

Using the diagram on page 2, measure the quilt through the center as shown. Trim both pieced border units to this measurement; trim on the end opposite from the 6 1/2-inch blocks. Sew one pieced border unit to the top and bottom of the center field. Press as shown on the diagram below.
