

# Christmas 2010 Mystery Quilt

Use one red-green striped square and one red-beige/white stripe square to make row L! Do not worry, there is more red in the border! See you again next week!

## Supplies

rotary cutter and 6 x 24-inch ruler  
rotary cutting mat  
sewing machine and matching thread

1/4-inch seams throughout, *unless noted*

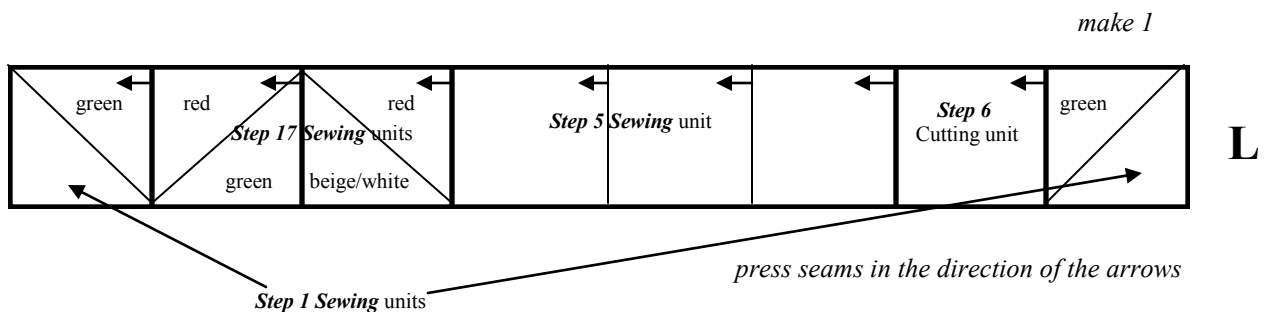

## Step 19: Cutting

*There is no cutting for this step!*

## Step 19: Sewing

Sew together 2 *Step 1 Sewing* units, 1 *Step 5 Sewing* unit, 1 *Step 6 Cutting* square, and 2 *Step 17 Sewing* units (one red-green and one red-beige/white) as shown below. Press the seams in the direction of the arrows (you may need to repress some of the seams pressed in an earlier step).

Label this row: **L**

### Erik's Tip!

*In our sample, it didn't matter which way the red stripes went as long as the diagonal line is placed correctly!*
