

Constructing each block, cont:

Lay out the pieces following the diagram below. Pay careful attention to the direction of the **D/D** units putting the **Beige** scrap on the inside as indicated. Sew the pieces in each row together, then sew together each row; nine patch style, pressing each seam opposite. Repeat for a total of 4 blocks. Each block should measure 6 1/2-inches square, *unfinished*.

Follow the diagram below to complete each block:
