

Constructing the block, cont:

Each **B** unit should measure 3 1/2-inch square. Repeat to make a total of **8 Red** and **Beige** scrap **B** units.

Make the **C** units in the same way using the remaining **Red** scrap 3 7/8-inch squares layered with the **Blue** scrap 3 7/8-inch squares. Sew, cut and press as before. Repeat to make a total of **4 Red** and **Blue** scrap **C** units. Each **C** unit should measure 3 1/2-inch square. Assemble the block using the photo and the diagram below, sewing the side **B** and **C** units first, then sew to the center **A** unit. Sew the top and bottom rows as shown. Press.

Follow the diagram below to complete the block:
