

Constructing the block, cont:

For the second set of colored 4 1/4-inch squares, make like the **Beige** units: draw diagonal lines on the back of **Red** scrap 4 1/4-inch square, layer the **Blue** scrap 4 1/4-inch square on top of the **Red** scrap 4 1/4-inch square; stitching, cutting and pressing as before. Make 2 units that measure 3 1/2-inches square. Finish making the **Corner** units: On the back of the **Beige** scrap square redraw the diagonal line to the corner. Layer one sewn and cut **Beige** and **Blue/Red** square; sew 1/4-inch on both sides of the drawn line, cut apart on the line; press open. Repeat for remaining **Beige** and **Blue/Red** squares. Make 4 **Corner** units. (Refer to our on-line tutorial for help.)

Follow the diagram below to complete the block:
