

Constructing the block, cont:

For the **A** units, cut the **Blue** scrap 7 1/2-inch **A** square in half twice on the diagonal to make 4 **A** triangle units.

Cut 4 **A** triangles

For the **B/C** corner triangle units, cut each **Beige** scrap 4 1/4-inch square in half twice on the diagonal to make a total of 8 **Beige** scrap triangles; 4 of *each* **Beige** scrap.

Cut each **Beige** scrap 4 1/2-inch squares

Make 8

Follow the diagram below to complete the block:
