

Assemble the side pieced borders:

To complete the border, measure the quilt as shown on the diagram below. Stitch together 1 **Step 5** Pieced block and one remaining 12 1/2-inch block. Sew a **Green Floral** strip to the two 6 1/2-inch blocks.

Make 2

Each border unit should measure 12 1/2-inches wide

Sew a **Green Floral** strip as shown (as done in **Step 9**) to the 6 1/2-inch block strip. Press in the direction of the arrow. Sew this border strip to the two blocks and press in the direction of the arrow. You will need to piece the **Green Floral** fabric as before to make up the entire length of the quilt. Measure the length of the strip and trim to the needed length including the 12 1/2-inches for the **Step 5** block at the opposite end. Sew **Step 5** block in place. Repeat for a second side border.

Using the diagram below. Sew one pieced border unit to each side of the quilt. Press as shown on the diagram below.
